

NAMPRO

NORTHERN AUTOMATION AND MOTION PRODUCTS

• MECHATRONIC MOTION •

THE NAMPRO ADVANTAGE

We help you select, apply and service a range of the finest complimentary mechatronic, robotic and assembly automation product lines for the industrial sector.

Cone Drive / Gear Reducers - Double Enveloping Worm, Planetary, and Harmonic Gearing, Slew Drive/Bearing, Stainless IP69K Solutions www.conedrive.com

Doosan Robotics / Collaborative (cobot) Robotics, Teach and Smart Pendant, DART-Platform, Smart Vision Modules, Mobile Base, Robot Jackets and Dress Packs. www.doosanrobotics.com

ElectroCraft / Stepper and Servo Motors, Fractional HP AC and DC Motors, Brushless DC, Mobility and AGV Gearmotors www.electrocraft.com

Macron Dynamics / Belt Driven Linear Actuators, T-Bot, H-Bot, Tri-bot and XYZ Gantries/Robotics, Belt Driven Thrusters and Robot Transfer Units www.macrondynamics.com

Posital / Rotary incremental and absolute encoders, kit encoders, inclinometers, linear positioning sensors. Wiegand sensors for energy harvesting for IoT devices, absolute encoders, pulsing/metering and condition monitoring. www.posital.com

Zero-Max / Mechanical Couplings - Composite Disc, Schmidt, Control-Flex, Servoclass® Couplings and Keyless Shaft Bushings www.zero-max.com

NAMPRO

NORTHERN AUTOMATION AND MOTION PRODUCTS

• AUTOMATED ASSEMBLY •

Automated Industrial Systems / Automated Industrial Systems has been manufacturing O-ring and seal assembly equipment since 1978. Our machines focus on easy installation, efficiency and durability to save you both time and money. AIS machines include both semi-automatic and automatic installation models. www.aisoring.com

Doosan Robotics / Collaborative (cobot) Robotics, Teach and Smart Pendant, DART-Platform, Smart Vision Modules, Mobile Base, Robot Jackets and Dress Packs. www.doosanrobotics.com

Hoosier Feeder / Discrete Parts Feeding: Vibratory Bowls, Linear Feeders, Centrifugal & Rotary Bowl Systems, Flex Feeders, Prefeeders, Part Nests and Mechanisms. www.hoosierfeedercompany.com

Glide-Line / Multi-strand, Pallet and Zero Contact Zoned Conveyors, Vertical Transfer Units, Controls, Conveying Solutions for Autonomous Mobile Robots (AMR). www.glide-line.com

Macron Dynamics / Belt Driven Linear Actuators, T-Bot, H-Bot, Tri-bot and XYZ Gantries/ Robotics, Belt Driven Thrusters and Robot Transfer Units. www.macrondynamics.com

Weiss / Rotary Index Tables, Linear Motor Driven Pick and Place Units, Cam and Servo Driven Assembly Chassis, Ring Index Tables, Machine Bases and Tool Plates. www.weissna.com
